

U11 CHAMPIONS CUP

THE tournament

In May 2026 (Saturday 2 - Sunday 3 May 2026) we want to determine the BEST U11 TEAM in Europe together with different club teams (NO SELECT TEAMS) from 8 different countries. The basis for registration is winning the title at state or national level in the U11 category in 2015 for the tournament in May 2026. Since we are starting the SKILLMASTER CHAMPIONS CUP - U11 for the first time this year, we would like to make a selection together with the respective coaches and thus guarantee a very high quality level. (born 2015, girls & goalie 2014 permitted)

Therefore no independent registration is possible!!!

Since we as (SKILLMASTER MUSKETEERS - organizers) are completely financed by DONATIONS and do not want to make a profit at this event, there are also no registration costs for the participating clubs!!!!

Currently the following countries are planned to participate
D, A, CZ, CH, SVK, SLO, HR, SWE,

HOW we play - game mode

large field 2 x 20 min normal rules (time runs through, interruption only in case of injuries) division into 2 groups, then playoff series (3 x 10 minutes '4 vs. 4), extended statistics, player statistics and livestream.

Slap-shots are permitted – no body checking without playing the puck first!!!

WHAT happens around

Great supporting program - music act, street food, surprise for the players with great prizes. Registration must be done online and each outfield player and goalie must register in advance with photo and information on the website.
